

## Product Termination Notification

## No. 15003

### PRODUCT DISCONTINUANCE (PHASE-OUT)

Subject: **Phase Out of HAL 805, HAL 810 and HAL815**

March 4th, 2015

Dear Customer,

Micronas strives to propose to its customer the best-in-class quality products to answer the market constraints and customer's demand. However semiconductor products have a limited life time due to changes and improvements in quality, design and technology as well as to be compliant to international environmental standards.

Consequently, it is therefore necessary for Micronas GmbH to discontinue the production of the following product and propose alternatives solutions as listed below:

Discontinued Product	Possible Replacement
HAL 805 HAL 815	HAL 830
HAL810	HAL835

In order to ensure your back-up demand, we kindly ask you to predetermine your total demand for the "last buy" and give us your last orders by **June 29th, 2018**.

Phase-Out Plan:	
Last Order Date: (firm, non-cancellable orders)	<b>June 29th, 2018</b>
Last Delivery Date:	<b>December 28th, 2018</b>

Please confirm receipt of this document or just sign this Phase-Out-Letter and send us your last orders as soon as possible.

Yours sincerely

  
i.V. Karl Heinz Bernhard  
Director Sales Operations

  
i.A. Hannelore Hummel  
Product Planning Manager
