Bourns® Model PWR4412 Series and Design Kit to be Discontinued

In accordance with our ongoing product lifecycle management procedure, Bourns has determined that the [PWR4412 Series](#) part numbers and design kit listed on the following page are being transferred to an End of Product Life status. A lack of sales volume and diminishing demand necessitates this action.

Regrettably, replacement products are not available at this time. Customers must notify Bourns in writing within 30 days of receipt of this notification if they consider the discontinued product to be “sole sourced” by Bourns. In such cases, Bourns will work with customers to negotiate an appropriate end-of-life purchase for the discontinued products. Products purchased during this End of Product Life transition period will be covered by Bourns’ standard warranty. Last Time Buy orders for these products will be considered non-cancellable and non-returnable.

The obsolete part numbers are listed in Table 1 on the next page.

Please plan for the following deadlines:

*Last time buy date: **October 31st, 2018***

*Last time ship date: **November 30th, 2018***

Should you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
