Informational PCN

Datasheet CS4245 revised from F4 to F5

Dear Customer,

This Informational PCN notification is to advise:

- The Datasheet CS4245 has been revised from F4 to F5
- All amendments are considered minor and outlined in Section 13 of the Datasheet Revision History.
 1. Updated JEDEC reference in the table footnote on Page 57.
 2. Corrected incorrect/broken links in Table of Contents.
- The revised Datasheet CS4245 F5 will be distributed independently within 5 business days and available via our external website (i.e., <https://www.cirrus.com/products/cs4245/>) for immediate use.
- Part numbers specific to the Datasheet are:
 - CS4245K-CQZ
 - CS4245K-CQZR
 - CS4245K-DQZ
 - CS4245K-DQZR

Any specific or immediate inquiries should be directed to your local Field Sales Representative.

Sincerely,

Quality Systems Administrator
