Date: December 1, 2017

To: Bussmann series photovoltaic, Class II IEC, and Class I and Class II wind DIN-Rail surge customers

Subject: End-of-life notice

Dear valued customer:

Effective December 31, 2017, all Bussmann™ series photovoltaic, Class II IEC, and Class I and Class II wind DIN-Rail surge protective devices, corresponding replacement modules, and accessory busbars are obsolete. Please see the affected catalog numbers and their UPCs/EANs on the next page. There are no recommended replacements.

Orders for these products will be accepted until December 29, 2017. Any existing inventory is saleable product and should not be returned.

Existing warranty on these products will continue in effect from end user's date of purchase as stipulated in Warranty Statement no. 3A1502.

Should you need technical assistance specifying a surge protective device for your application, please contact our Application Engineering team at 855-287-7626, Monday to Friday, 7:00 a.m. to 5:00 p.m. Central time, or email FuseTech@Eaton.com.

If you have any questions regarding this end-of-life notice, please contact your local Bussmann series product sales representative.

Best Regards,

A handwritten signature in black ink, appearing to read "Dylan Brown". The signature is written in a cursive, flowing style.
