

Discontinuation of CA, CM, CB, CV Relays (DIODE Version Only)

PEWA Ref #: ACBD293

07/09/14

| | |
|--------------------------|--|
| Effective Date: | Immediately |
| Last Time Buy Date: | September 30, 2014 |
| Last Time Ship Date: | N/A |
| Discontinuation Details: | In April 2012, Panasonic issued a discontinuation for the diode models of the CA, CM, CB, and CV Relays. At the time, the last time buy was slated for March 31, 2015, however, due an unforeseen shortage of diodes, Panasonic must move the last time buy date up to September 30, 2014. |
| Suggested Replacement: | No Replacement |
| Affected Part Numbers: | See Attached Excel Document. |
| Datasheets: | See Attached. |
| Notes: | Final orders from existing customers should be received by end of Sep 2014 including custom products . New orders were already halted in Feb 2012. |

CA relay with diode part numbers
