PE4239A-Z New Product & Ordering Code

To Whom It May Concern,

pSemi would like to inform you of the new product, PE4239A-Z, being developed that will be form, fit, function compatible with 4239-52.

PE4239A-Z is a fab transfer from Silanna fab in Australia to Lapis fab in Japan. Lapis is a qualified fab by pSemi.

Production & Evaluation Kit Ordering Codes:

- PE4239A-Z
- EK4239-01

Engineering samples will be available by Q2 2021 and production will be ready in Q3 2021.

PE4239A-Z can be used to fulfill 4239-52 Last-Time-Buy orders. Pricing of new ordering codes will need to be confirmed with pSemi Sales.

Should you have general questions, please contact AccountRep@psemi.com

Sincerely,

Yumi Otokawa
