

Customer Information Notification

CN-202111011I

Issue date: 07 Dec 2021

Effective date: 06 Jan 2022

Here's your personalized quality information concerning products our customers and partners purchased from Nexperia.

For more details please contact your respective Nexperia CSR/AM.

Correction of datasheets of protection diodes: remove pin 1 cathode marking bar from simplified outline drawing

Notification information

Correction of datasheet of bi-directional protection diode: remove cathode (pin 1) indicator from simplified outline drawing.

Why do we issue this notification?

Simplified outline drawing in datasheet does not reflect the device correctly: There is no cathode/pin 1 indicator on device. Indicator will be removed from simplified outline drawing.

Management summary

Correction of datasheets of bi-directional protection diodes: remove cathode (pin 1) marking indicator from simplified outline drawing.

Identification of affected products

Product Identification does not change

Impact

No impact to the product's functionality anticipated

No change of the product (fit, form and functions are unchanged, quality or reliability is not affected).

Data sheet revision

A new datasheet will be issued

Contact and support

For all Quality Notification content inquiries, please contact your local Nexperia Sales Support Team.

For specific questions on this notice or the products affected please contact our specialist directly: pcn@nexperia.com

In case of distribution, please contact you distribution partner.

About Nexperia B.V.

We at Nexperia are the efficiency semiconductor company. We deliver over 90 billion products a year and as such service thousands of global customers, both directly and through our extensive network of channel partners. We are at the heart of billions of electronic devices in the Automotive, Mobile, Industrial, Consumer, Computing, and Communication Infrastructure segments.

You have received this email because you are a designated contact or subscribed to Nexperia Quality Notifications. Nexperia shall not be held liable if this Notification is not correctly distributed within your organization.
