

September 1, 2017

Dear Customer,

Subject: Production Discontinuance of 6R3S43X107MV4E + 160S43X226MV4E product.

Effective September 1st 2017, Johanson Dielectrics, Inc. is discontinuing the following part numbers: 6R3S43X107MV4E + 160S43X226MV4E. We are contacting you because you have purchased one of these parts in the past 2 years.

Please contact Karin Ralston your Johanson Account Manager, at [kralston@johansondielectrics.com](mailto:kralston@johansondielectrics.com) to work with you or your team directly on alternative solutions.

Johanson Dielectrics Inc. appreciates and values our business relationship and looks forward to your continued interest in our products. While we regret any inconvenience this announcement may cause, we are eager to supply your future product requirements with our world-class quality product lines.

If you have technical questions regarding the discontinuance, please contact Jorge Varela, Johanson Dielectrics Applications Engineer, at [jvarela@johansondielectrcis.com](mailto:jvarela@johansondielectrcis.com) . For all other questions, please work through your normal sales channels.

Sincerely,

Scott Horton  
VP, Marketing
