Dear < Customer FSE Last Name>,

Re: Announcing Last Time Buy for Certain Infrared Sensor Parts

Honeywell Sensing and Control (S&C) is offering a last time buy opportunity through December 31, 2012 for select infrared sensor parts. Once this inventory is depleted, the products will be considered obsolete and removed from the Honeywell S&C website. Due to the very low sales volume on these parts, we will not pursue any re-engineering efforts to replace these components.

Important dates to note are:

- **October 15, 2012: Last time buy begins.**
- **December 31, 2012: Last time buy ends. No orders will be accepted after this date.**
- **December 31, 2012: Product and related documentation will be removed from the S&C website.**
- **March 31, 2013: Final delivery. Honeywell will not deliver parts after this date.**

For a list of affected listings, please see page 2 of this document.
