Product/Process Change Notification

Dear Customer,

This is an announcement of change(s) to the process being used for the products currently supplied.

We request your acknowledgement to receive this notification.

Title of change	RPI-2500 package specification change					
Affected product(s)	Product name		Customer part number			
	RPI-2500,RPI-2501					
Detailed description of change	Now		After			
	1box 50pcs×4bags (200pcs/box)		1box 130pcs×2bags (260pcs/box)			
Reason for change	To improve workability in our process (There is a work to refill stick-packed products into plastic bags in process. Because 1 stick contains 65pcs, refilling workability can be improved if the package quantity is set to 130pcs which is an integral multiple.)					
Anticipated impact on quality	(form, fit, function, reliability) There is no influence on quality. (We implemented drop test and there was no problem. Please refer to the attached document for details.)					
Identification of change	We plan to classify by Lot No.					
Planned date of change	1/23/2019	Sample availale schedule	n/a			
Attachments (data, report)	<input checked="" type="radio"/> Yes / No					
Comments	Because package quantity changed and specification is revised, please re-exchanging the specification.
