

Product Discontinuance Notification

Notification Number:	2020-1028
Title:	Light Engines and Light Modules
Publish & Effective Date:	June 24, 2020
Last Time Order Date:	None
Last Time Ship Date:	June 12, 2020

Reason for Change

The various Light Engines and Light Modules use older generation LEDs and that have experienced a decline in demand which has led to the manufacturing discontinuance.

LEDdynamics wishes to promptly inform our customers of our intent to exit this small portion of our overall portfolio so that you may plan appropriately and effectively for replacement devices. Provided in this notice are the impacted parts.

Alternative Component Recommendation

No standard footprint compatible alternative product is available. Custom options may be available. Contact LEDdynamics directly for further discussion.

Timeline

These products have been discontinued and no new orders will be accepted.
