Subject: End of Life Announcement – uLCD-220RD and related starter kits and bundles

Dear Customer,

This is to inform that 4D Systems will discontinue production of the uLCD-220RD and related kits and bundles. A full list of affected parts numbers is listed on the following page.

We will continue to support currently pending orders and would like to give you the possibility to place your last time buy orders until November 30th 2017.

Last shipments will be made as long as rest stock is available or by the end of January 2018.

We apologise for any inconvenience this may cause and hope that one of our other devices will fit into your application. Our sales team will be pleased to support you in evaluating the situation.

We will continue to provide ongoing support for the aforementioned products as per our terms and conditions.

Access to relevant App Notes and Software Tools will still be available on 4D Systems website. Please note that additional documentation or software will no longer be generated for these parts.

Please feel free to contact us if you have any questions or concerns regarding this announcement.

Sincerely,

Marcel Kowsar
Products and Business Development Manager
4D Systems
