

Product Change Notification:

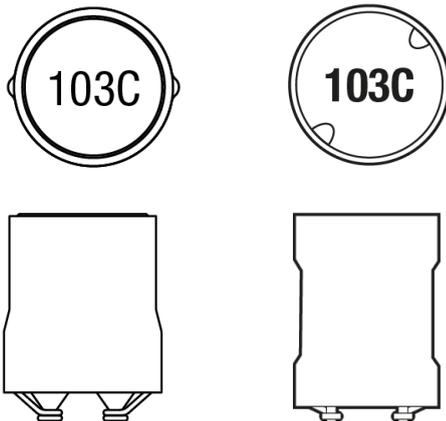

Reference: PCNMK0036

Affected Part Numbers:

2200R Series

Description of the Change:

Product core was changed for products manufactured from July 2010 onwards. The old and the new product cores are shown below. The core was updated due to a change in supplier.

Potential Product Performance / Behavior Impact:

No change to pin compatibility or electrical specification of the product.

Effective date of shipment of changed parts:

Shipments from July 2010 into 2011 would have been a mix of the old and new cores.

Certificate No. FM 13273 / EMS 92499
