

MALLORY SONALERT PRODUCTS, INC.

Number: 18005

Date: 8/30/2018

PRODUCT CHANGE NOTIFICATION

Reactions to this notification are to be addressed to Mallory Sonalert Sales Representative or Quality Control

PRODUCT / MODEL CHANGE

PS-983Q

CHANGE DESCRIPTION

1. Change base height and top height measurements (Dimensions were switched around on spec)
2. Termination wire gauge should be 24 AWG

REASON FOR CHANGE

1. Dimensions were accidentally switched on print (correction only)
2. Wire gauge changed to 22 AWG by mistake.

CHANGE OF FIT / FORM / FUNCTION?

Change FUNCTION by going back to 24 gauge wires.

DISPOSITION OF OLD PRODUCT

If customer application requires 24 AWG, old part parts with 22 AWG wires may be returned for replacement.

ESTIMATED CODE DATE OF EFFECTED PRODUCT

Effectively immediately
