SM502GE08LF02-AC EOL Notice

Date: Feb 18, 2021

Due to limited demand and testing capacity issue, SM502GE08LF02-AC will be EOL. This EOL only applies to industrial temperature part SM502GE08LF02-AC and does not affect commercial temperature part SM502GX08LF02-AC. Commercial temp SM502GX08LF02-AC will continue to be in production and is a drop-in replacement for SM502GE08LF02-AC. Silicon Motion has limited quantity SM502GE08LF02-AC which requires our announcing last time buy (LTB) and last time ship (LTS) for the current devices.

Last Time Buy Orders: Received by Silicon Motion no later than Apr 30, 2021.

Last Time Shipment: Shipped to customer no later than Dec 31, 2021.

Please refer to the part number in the table listed below for identifying the EOL device.

DEVICE NUMBER	CURRENT PART NUMBER	REPLACED PART NUMBER
SM502GEF8 AC	SM502GE08LF02-AC	SM502GX08LF02-AC

Please contact your Silicon Motion representative if you plan to qualify new replaced devices.

Regards,

Arthur Lee
