Product discontinuation

Dear Customer,

We want to notify that further production of the products listed on table below cannot be supported any longer. The corresponding replacement products are listed in the column "Replacement Parts".

The reason is that the total demand has declined to such a level that economic production can no longer be warranted. Please be informed that the discontinuation of the product will be implemented with immediate effect.

For any further questions, please feel free to contact our customer support team at any time.
