<b>TRACKING #</b>	07186	<b>TYPE OF CHANGE</b>	EOL	<b>DATE OF PCN</b>	6/30/2020
<b>CHANGE NAME</b>	Discontinuation of specific SBT-90-W65S-F71 (6500K) part numbers, replaced by SBT-90-W57S (5700K) alternates				
<b>DETAILS OF CHANGE</b>					
<p>You are receiving this letter due to an upcoming change in bin-kit offering for the SBT-90-W series and our records indicate you have purchased this in the past 24 months.</p> <p>Luminus is offering a last time buy (LTB) for the discontinued bins up until September 15th, 2020. However, due to on-going manufacturing challenges, Luminus can only offer limited quantities for last orders. We therefore encourage customers to transition to the SBT-90-W57S version and are committed to work with customers to assist in this transition.</p>

<b>REASON FOR CHANGE</b>		
<p>Due to limited demand and on-going manufacturing challenges for the SBT-90-W65S version, we are forced to consolidate with limited notice the SBT-90-W portfolio to a smaller range of CCT's under the 5700K specification.</p>		
<b>AFFECTED PRODUCT LIST</b>
