End-of-Life Notice

July 13, 2010

To: Cooper Bussmann® Circuit Protection Customers
Subject: Non-RoHS PC-Tron® Fuses (Non “-R”) End-of-Life Notice

The non-RoHS versions of the Cooper Bussmann® PC-Tron® printed circuit board fuses have reached their end-of-life and will be discontinued effective September 2, 2010. Attached is a list of the discontinued part numbers along with their recommended replacements.

You can find the data sheet for the affected part numbers and their replacements at www.cooperbussmann.com/datasheets/elx under data sheet number 2034.

A last time buy to order these part numbers is available through December 31, 2010.

If you have any questions or concerns about the end of life date or suggested replacements, please contact your local Cooper Bussmann Sales Representative or Applications Engineering (FuseTech@CooperIndustries.com).

Thank you for your business and cooperation during this upcoming transition.

Best Regards,

Jacquelyn Dickerson
Associate Product Manager
